

## CURRICULUM VITAE

---

### THOMAS S. JENKINSON

Postdoctoral Research Fellow  
Department of Environmental Science, Management, and Policy  
University of California, Berkeley

130 Mulford Hall #3114  
University of California, Berkeley  
Berkeley, CA 94720-3114, U.S.A.

Email: [tsjenkinson@berkeley.edu](mailto:tsjenkinson@berkeley.edu) | Ph: +1 510-643-4554 | Web: [thomasjenkinson.com](http://thomasjenkinson.com)

---

#### EDUCATION:

- 2017 Ph.D., Ecology and Evolutionary Biology  
University of Michigan, Ann Arbor, Michigan
- 2011 M.S., Biology (Concentration: Ecology and Systematic Biology)  
San Francisco State University, San Francisco, California
- 2005 B.S., Biology (Concentration: Cell Biology, Minor in Chemistry)  
Oregon State University, Corvallis, Oregon

#### PROFESSIONAL EXPERIENCE:

- 2017 - *present* NSF Postdoctoral Research Fellow in Biology – University of California, Berkeley
- 2011 Lecturer and Course Coordinator – Department of Biology, San Francisco State University

#### HONORS & AWARDS:

- 2017 Outstanding Graduate Student Instructor Award  
Rackham Graduate School, University of Michigan
- 2015 Myron P. Backus Graduate Research Award  
Mycological Society of America
- 2013 Best Graduate Student Oral Presentation Award  
Mycological Society of America Annual Meeting: Austin, Texas
- 2010 Distinguished Graduate Student Award  
College of Science and Engineering, San Francisco State University

#### GRANT FUNDING & FELLOWSHIPS:

- |             |   |           |
|-------------|---|-----------|
| 2017 - 2019 | NSF Postdoctoral Research Fellowship in Biology (PRFB)<br>National Science Foundation   | \$138,000 |
| 2016        | Helen Olson Brower Memorial Fellowship in Environmental Studies<br>Department of Ecology and Evolutionary Biology, University of Michigan | \$15,580  |
| 2016        | NSF Doctoral Dissertation Improvement Grant (DDIG)<br>National Science Foundation   | \$20,150  |
| 2014        | Rackham Graduate Student Research Grant<br>Rackham Graduate School, University of Michigan  | \$3,000   |
| 2013 - 2015 | Dow Doctoral Sustainability Fellowship<br>Graham Environmental Sustainability Institute, University of Michigan                           | \$50,000  |
| 2012        | Ecology and Evolutionary Biology Block Grant for Research<br>Department of Ecology and Evolutionary Biology, University of Michigan       | \$2,896   |
| 2009        | Robert M. Maxwell Graduate Scholarship<br>College of Science and Engineering, San Francisco State University                              | \$4,000   |

2008 - 2009	NSF Graduate STEM Fellowship in K-12 Education (GK-12 Fellowship) National Science Foundation	\$30,000
2008	Harry D. Thiers Graduate Scholarship Mycological Society of San Francisco	\$1,000

### INVITED RESEARCH PRESENTATIONS:

- 2018 Center for Population Biology Seminar: University of California, Davis  
– Ecology, Evolution, and Conservation Biology Colloquium: San Francisco State University  
– Wildlife and Fisheries Conservation Biology Seminar: University of California, Berkeley
- 2017 Secondary contact and rare sex between distant lineages of the amphibian-killing chytrid fungus  
Invited lightning talk for the Society for the Study of Evolution Spotlight Session: Sex in the Wild  
Evolution 2017: Portland, Oregon
- 2016 Population divergence and strain hybridization in the amphibian chytrid  
Symposium on: What can population genomics of pathogenic fungi tell us about emergence?  
Mycological Society of America: Berkeley, California
- 2015 Population genetics of *Batrachochytrium dendrobatidis* in southeastern Brazil  
Institute of Health and Biological Sciences,  
Universidade Federal de Alagoas, Maceió, Alagoas, Brazil
- 2014 Population history of the amphibian chytrid, *Batrachochytrium dendrobatidis*: Geographic and  
genomic insights from the Atlantic Forest of Brazil  
Symposium on: Fungal Diseases of Aquatic Animals,  
10<sup>th</sup> International Mycological Congress: Bangkok, Thailand

### CONTRIBUTED RESEARCH PRESENTATIONS:

- 2017 Intraspecific competition between divergent *Bd* lineages  
Integrated Research Challenges in Environmental Biology, Amphibian Declines: Tempe, Arizona
- 2016 Population genomics of hybridization in the amphibian-killing chytrid fungus (*Lightning Talk*)  
Evolution 2016: Austin, Texas
- 2015 Amphibian chytrid in Brazil comprises both stable endemic and globally expanding lineages  
Mycological Society of America: Edmonton, Alberta, Canada  
– Amphibian-killing chytrid fungus in Brazil comprises both stable endemic and recently expanded  
populations  
Evolution 2015: Guaruja, São Paulo, Brazil
- 2013 Population genetic structure of *Batrachochytrium dendrobatidis* in the hybrid zone of Brazil  
Integrated Research Challenges in Environmental Biology, Amphibian Declines: Tempe, Arizona  
– Pandemic and hybrid genotypes of the amphibian pathogen *Batrachochytrium dendrobatidis* in the  
southern Atlantic rainforest of Brazil (**Awarded best graduate student oral presentation**)  
Mycological Society of America: Austin, Texas
- 2013 Genetics of Brazilian endemic and hybrid strains of *Batrachochytrium dendrobatidis* in Paraná  
Conference on Chytridiomycosis in the Atlantic Forest of Brazil:  
Universidade Estadual de Campinas, Campinas, São Paulo, Brazil
- 2010 The role of fungal survey and inventory studies in the Micronesia Biodiversity Project  
Bay Area Conservation Biology Symposium: San Francisco, California

### CONTRIBUTED RESEARCH POSTERS:

- 2014 Human activity and the spread of an emerging amphibian disease  
Dow Sustainability Symposium: Ann Arbor, Michigan  
– Spatio-temporal patterns of *Batrachochytrium dendrobatidis* infection in the native amphibian  
community of the Edwin S. George Biological Reserve, Livingston County, Michigan  
Mycological Society of America: East Lansing, Michigan
- 2012 A new genus *Cryptomarasmius* proposed in the Physalacriaceae to accommodate members of  
*Marasmius* section *Hygrometrici*  
Mycological Society of America: New Haven, Connecticut
- 2009 Phylogenetic relationships within the genus *Marasmius sensu stricto* inferred from ITS and nLSU  
International Conference on Fungal Evolution and Charles Darwin: Pathumthani, Thailand

2007 Conservation of cystidial ultrastructure in *Suillus* species  
Mycological Society of America: Baton Rouge, Louisiana

### RESEARCH EXPERIENCE:

2017 - present Postdoctoral Research – University of California, Berkeley: Historical phylogeography and single-cell genomics of *Batrachochytrium dendrobatidis* from herpetological museum collections  
Advised by: Erica Bree Rosenblum

2012 - 2017 Ph.D. Dissertation Research – University of Michigan: Ecological genomics and population history of *Batrachochytrium dendrobatidis*  
Advised by: Timothy Y. James

2011 Visiting Researcher – University of Maine: Field survey, isolation, and culture of *Batrachochytrium dendrobatidis*  
Hosted by: Joyce E. Longcore

2007 - 2010 M.S. Thesis Research – San Francisco State University: Molecular phylogenetics of the globally distributed mushroom genus *Marasmius*  
Advised by: Dennis E. Desjardin

2006 - 2007 Research Technician – University of Minnesota: Assembling the Fungal Tree of Life Project  
Principal Investigator: David J. McLaughlin

### TEACHING EXPERIENCE:

2015 Graduate Student Instructional Mentor – University of Michigan  
*Teaching mentor to first-year Program in Biology graduate student instructors*  
Graduate Student Instructor – University of Michigan

2015 Honors College Core in Natural Science, Biology and Society  
2011, 2013 Biology of Fungi Laboratory (*Course offered alternate years*)  
2012 Genetics, Discussion Section  
2012 Evolution, Discussion Section

2011 Lecturer and Laboratory Coordinator – Department of Biology, San Francisco State University  
Introductory Biology Laboratory I

2008 - 2010 National Science Foundation Graduate K-12 Teaching Fellow / SEPAL K-12 Teaching Partner –  
San Francisco Unified School District and San Francisco State University  
Eighth Grade Physical Science, Horace Mann Middle School, San Francisco, California  
Graduate Teaching Assistant – San Francisco State University

2010 Science Concepts in Introductory Biology I  
2010 The World of Plants Laboratory (*Introductory botany for non-majors*)  
2007, 2008 Introductory Biology Laboratory II

*Guest lectures* University of California, Berkeley: Global Change Biology  
University of Michigan: Biology of Fungi, Biology and Society, Science and Politics of  
Global Change

### FIELD EXPERIENCE:

Republic of Brazil  
2013 - 2015 National Science Foundation; Catalyzing New International Collaborations: Into the Heart of an Epidemic: a US-Brazil Collaboration for Integrative Studies of the Amphibian-Killing Fungus in Brazil

2009 - 2011 Federated States of Micronesia  
National Science Foundation; A Biodiversity Survey of Pohnpei and Kosrae Islands, Federated States of Micronesia: Understanding the Impact of Anthropogenic Disturbance on Plant, Fungal, and Stream Biodiversity

2008, 2011 Republic of Ecuador  
National Geographic Society; Fungal Mimicry in the Deceptive Pollination of *Dracula* Orchids in Bosque Protector Los Cedros, Provincia de Imbabura

- 2008            California, U.S.A.  
United States Forest Service Assessment of FEMAT (Forest Ecosystem Management Assessment Team) Strategy One Fungi: Tahoe National Forest, Plumas National Forest
- 2007            Minnesota, U.S.A.  
Minnesota Department of Natural Resources County Biological Survey of Fungi

### **ACADEMIC & PROFESSIONAL SERVICE:**

- 2014 - 2016    Graduate Student Representative: Education Committee, Mycological Society of America
- 2014 - 2015    Steering Committee: 10<sup>th</sup> and 11<sup>th</sup> Annual Early Career Scientists Symposium  
University of Michigan: Ann Arbor, Michigan
- 2013 - 2015    Departmental Committee Member: Undergraduate Curriculum Committee  
Department of Ecology & Evolutionary Biology, University of Michigan
- 2013 - 2015    Editorial Board Member: *Michigan Journal of Sustainability*
- 2013            Conference Session Chair: Concurrent Session on Fungal Genetics and Genomics  
Mycological Society of America: Austin, Texas
- 2010 - 2011    Executive Council Member: Mycological Society of San Francisco

### **MANUSCRIPT REVIEW:**

*Molecular Ecology, Mycologia, Diseases of Aquatic Organisms, Transboundary and Emerging Diseases, PLoS ONE*

### **PROFESSIONAL SOCIETIES:**

- Since 2014    Ecological Society of America
- Since 2014    Genetics Society of America
- Since 2009    Society for the Study of Evolution
- Since 2006    Mycological Society of America

### **OUTREACH ACTIVITIES & MEDIA HIGHLIGHTS:**

- 2018            Curriculum Development and Guest Instructor: Nature notebooks, making hypotheses about organism form and function, Fourth/Fifth Grade Science, Berkeley Unified School District, Berkeley, California
- 2016            Guest Speaker: Fungal ecology, biodiversity, and mushroom identification, Seventh/Eighth Grade Science, Ann Arbor Open School, Ann Arbor, Michigan
- 2015            Volunteer Organizer and Field Trip Leader: D-Town Farms BioBlitz, biodiversity survey of D-Town Urban Farms with local middle and elementary students in the Detroit Black Community Food Security Network's Youth Development Program, Detroit, Michigan
- 2014            Organizer and Moderator: Workshop on applying to graduate school in the life sciences  
Undergraduate Curriculum Committee, Dept. of Ecology & Evolutionary Biology  
University of Michigan, Ann Arbor, Michigan
- 2013            Volunteer Organizer and High School Field Trip Leader: Belle Isle BioBlitz, biodiversity survey of Belle Isle Park, Detroit, Michigan with urban high school biology students  
West International High School, Detroit, Michigan
- Radio Interview: "Detroit high schoolers explore wilder side of Belle Isle" Aired: Apr 2013  
The Environment Report: Michigan Public Radio
- Guest Speaker: Ecosystems and Conservation Biology, Eighth Grade Science  
Escola Municipal de Ensino Fundamental Jose Vieira, São Marcos, São Paulo State, Brazil
- 2012            Radio Interview: "Mushrooms glow in the dark in Micronesia" Aired: May 2012  
The Pacific Beat Radio Programme: ABC Radio
- Invited Speaker: Mushrooms and the Micronesia Biodiversity Project  
Monthly meeting of the Illinois Mycological Association, Chicago, Illinois

- 2011 Conservation Policy Workshop Organizer and Volunteer Speaker:  
Workshop on protecting the critical upland forest habitat of the Micronesian Islands.  
Kolonias City, Pohnpei State, Federated States of Micronesia
- Graduate Student Speaker: Habitat conservation in the Micronesian Islands  
Monthly meeting of the Mycological Society of San Francisco, San Francisco, California
- Guest Columnist: MycoDigest - The amphibian-killing chytrid fungus.  
*Mycena News*: The Monthly Newsletter of the Mycological Society of San Francisco
- 2007 - 2010 Educational Exhibit Organizer and Volunteer: Annual Bay Area Fungus Fair  
Lawrence Hall of Science, University of California, Berkeley, Berkeley, California  
Oakland Museum of California, Oakland, California
- 2010 Magazine Interview: “Shroomin' at the Fungus Fair” Issue: Dec 2010  
San Francisco Bay Guardian
- Guest Columnist: MycoDigest - The mysterious *Cordyceps* mushroom.  
*Mycena News*: The Monthly Newsletter of the Mycological Society of San Francisco

## RESEARCH MENTORSHIP:

\* Indicates coauthorship on research publications

- 2017 Siena McKim: University of Michigan Undergraduate Student in Art and Design, and Program in the Environment, Class of 2019; *Microscopy and scientific illustration*
- 2017 Rebecca Clemmons: University of Michigan Undergraduate Student in Ecology and Evolutionary Biology, Class of 2019; *Molecular laboratory techniques, laboratory animal husbandry*
- 2015 - 2016 Elisabeth Oeller: University of Michigan Undergraduate Student in Ecology and Evolutionary Biology, Class of 2016; *Microbial culture, laboratory animal husbandry*
- 2014 - 2015 Anyelet Valencia-Aguilar \*: Federal University of Alagoas (Alagoas, Brazil) Masters Student in Zoology, M.S. 2015; *Field isolation of wild pathogen strains, microbial culture*
- 2013 - 2015 Carolina Lambertini \*: University of Campinas (São Paulo, Brazil) Masters Student in Ecology, M.S. 2015; *Molecular laboratory techniques, DNA sequence analysis, population genetics*
- 2012 - 2013 Clarisse Betancourt-Román \*: University of Michigan Masters Student in Ecology and Evolutionary Biology, M.S. 2013; *Field isolation of wild pathogen strains, microbial culture*
- 2011 - 2012 Lindsay Isenhardt: University of Michigan Undergraduate Student in Ecology and Evolutionary Biology, Class of 2013; *Field survey of wildlife pathogen infection, molecular diagnostics*
- 2009 - 2010 Rainer Schaefer \*: San Francisco State University Undergraduate Student in Biology, Class of 2010; *Molecular laboratory techniques, phylogenetic analysis*
